## VOCATIONAL/EDUCATIONAL INSTRUCTION

Children graduate – or asked to leave most of the institutions when they turn sixteen. With no chance of employment, many are reduced to beggars on the street or worse. We can do something about this by offering them an opportunity to receive trades training in one of several vocations. Vocational training prepares every child with hope for a brighter future. Our current course offerings are as follows: Note dollar amounts are per student per course.

A holiday is not just for fun, it's also important for mental and physical rest. Our eight day camps give many children an opportunity to be surrounded by nature and wonderful, caring, camp counselors. Each day children attending these camps are offered new opportunities, interesting games, plenty of activities and delicious food. Most importantly they make new friends and learn about the one who wants to be their best friend - Jesus. Send a child to camp for only \$152.00.

## A GOOD NIGHT'S REST

A good night's rest is essential for the well being of one's physical and mental health. The beds in most of the orphanages are in very poor condition. An investment of \$230.00 will provide a new bed and a good night's sleep for one child.

## BIRTHDAY PARTY

Celebrating a birthday is always a big event in a child's life. Sadly for children living in orphanages the day comes and goes without so much as a wish for a good day. Funds simply are not available in most facilities to accommodate a celebration. Imagine the joy you could bring to an entire group of children by an event designed specifically to honor their birth. The price of a Birthday Party is \$230.00.

## MINISTRY TO STREET CHILDREN

An estimated 100,000 children are living on the streets in Eastern Europe. Imagine roaming the streets just to find something to eat – daily – to bring relief to the constant gnawing feeling of hunger. Imagine having to search out and find shelter from the rain, cold and darkness of night. Some live on the streets simply because it is a better alternative to returning home to face unchecked brutality and violence from alcohol dependent parents. Every gift of \$4.00 will guarantee 1 nutritious meal. A gift of \$20.00 will provide a meal a day for 1 week and a gift of \$100.00 will supply a meal per day for an entire month.

Code A 012

We also provide meals for the elderly and impoverished families in many communities. You may choose to direct your gift to our Community Centre Project.

## CHRISTMAS OR EASTER PARTY

For most of us celebrating Christmas or Easter is a given. Unfortunately this is not the situation for children living in orphanages in Eastern Europe. Cash strapped administrators do not have the financial resources to execute such celebrations. With a gift of \$230.00 you can sponsor a seasonal party that will include a clear presentation of the gospel for an entire group of children.

## FAMILY SPONSORSHIP

Millions of families live well below the poverty line in Eastern Europe. This kind of poverty often leads to the breakup of the family. With a gift of Family Sponsorship you can help break the cycle of poverty and make it possible for families to stay together. Your monthly gift of support will ensure that families are provided with regular material, spiritual and emotional backing. Family Sponsorship begins at \$29.00 per month.

## CLOTHING

Without money it is all but impossible to provide clothing for self and family. Many families in Eastern Europe make do with worn out clothes – clothes too small – or so thin it offers them little protection from the cold of impending winter. Material poverty creates a huge negative impact on the self esteem of all family members. A gift of \$230.00 will make it possible for us to purchase and distribute new warm winter clothing for every member of a family.

## NEW SHOES

While we take good footwear for granted here in Canada – families in Eastern Europe can only hope to have such luxury. Lacking proper footwear many suffer not only embarrassment but painful foot disease. Help provide footwear for an entire family for just \$95.00.

## MOTHER - CARE PARCELS

Having a baby should be one of the most joyful events in one's life. However, without proper pre and post natal care, medicines and hygiene items, it can be tragic. You can help expecting mothers – most who live in extreme poverty - by blessing them with a Mother Care Parcel. Each parcel is designed to provide all that is needed for the safe delivery of a child. Pre and post natal instruction will also be given to each beneficiary. Mother Care Parcels can be purchased for \$40.00 each.

## FARM ANIMALS

One very practical way to help a poor family or to put food on the table for the children at an orphanage is through the purchase of a pig.

Purchase a pig for just \$40.00. Code B 005

A cow can be purchased for \$765.00 Code B 006

Many of the poor families that we work with have learned skills sufficient to generate small incomes from the care of these animals.

## CHRISTMAS GIFTS

Children love to be thought of at Christmas. We want to be sure that every child living in an orphanage that we are directly involved with, receives a gift at Christmas. A Christmas gift for a child can be purchased for \$45.00.

## WOOD FOR WINTER

The weather in Eastern Europe in winter is extremely cold. With heavy snowfalls, freezing temperatures and chilly winds, many poor families are anxious about how they will stay warm and ward off colds and other sicknesses. Fire wood for the winter makes for an excellent gift. A donation of \$125.00 will provide enough wood to see a family through the winter.

Code B 009

## SHIPPING COSTS

One of the ways Mission Without Borders is able to help the children and poor families of Eastern Europe is through gifts in kind. Our Mission often receives items of value – food, clothing, mattresses, furniture, and other useful items. To ship these items to the field countries is very expensive. One shipment would normally cost us around \$7,500.00. If you would like to help with the transport of goods to the field a tax-deductible donation of any amount would be appreciated.
